A Spark Worth Keeping

Catch a creative idea while it is still fresh. Let curiosity lead.

The idea that caught my attention

A project, a phrase, a color combination, or a question to explore.

What inspired it?

Note a source, a moment, a feeling, or a detail worth remembering.

A few ways I could play with this idea

One small experiment to try

Choose something you could sketch, write, make, or test in 15 minutes.

What I want to notice or learn

An idea can begin as a possibility. Give it a little room.
